- Bad language, bad behaviour, bullying and rudeness will not be tolerated. You may be asked to leave as this is unacceptable.
- You must be polite at all times and remember your 'pleases and thank yous'.
- Play with everyone fairly and kindly, don't leave anybody out from games or be mean about other people.
- The Big Swing can only be used by 3 children at one time.
- The climbing frame can only be used when a staff member is present.
- If you wish to visit your brother or sister who is in the nursery, you must get permission from the member of staff in charge of you, and get them to ask your sibling's member of staff if this is convenient.
- When you need the toilet, a member of staff must be informed where you are going. It is very important that you wash your hands thoroughly afterwards.
- Remember to visit the toilet and wash your hands before mealtimes.

The important thing is to have fun! We have lots of activities available, so please ask or make a suggestion if there is something that you would like to do.
